To be a Sunday school teacher is a noble, but humble service for the kingdom of God where you are entrusted with a flock of children to nurture them in the ways acceptable to God. Often, Sunday School teachers' services are not recognized or commended by the community. Are you willing to work without public acclaim? Our need is for committed teachers who are willing to lead the children to Jesus. Pray over the matter, and if you think your services will be a blessing to our Sunday school, kindly forward your application.

Your response : Yes, I have read the above notes, and am willing to work for the kingdom of God, as per the guidelines, relying not on my capabilities, but on the strength of the Holy Spirit, and controlled by the Lord.
